Book Parade

A huge thank you goes to everyone who put in so much effort for our very successful Book Character Parade. The children looked fantastic, as did the teachers who dressed up for the occasion. Congratulations to all our winners of the day! The obvious effort that went on behind the scenes at home was also extremely appreciated. Thank you to our wonderful parents.

On the business side of things, please make sure that all library books come back before the end of term. There are only two and a half

weeks before the holidays and I would appreciate everyone having an extra look for those misplaced library books.

Thank you

Tracey Wilkinson
Librarian

Core Rules in NSW Government School

All students in NSW government schools are expected to:

1. Attend school every day, unless they are legally excused, and be in class on time and prepared to learn.

2. Maintain a neat appearance, including adhering to the requirements of the school's uniform policy.

3. Behave safely, considerately and responsibly, including when travelling to and from school.

4. Show respect at all times for teachers and staff, including following school and class rules.

5. Treat one another with dignity and respect.

6. Care for property belonging to themselves, the school and others.

Beautiful Thoughts, Beautiful Poem

“I dreamed I stood in a studio
And watched two sculptors there,
The clay they used– was a young child’s mind
And they fashioned it with care.
One was a teacher, the tools she used
Were books and music and art:
One was a parent with a guiding hand
And a gentle loving heart.
Day after day the teacher toiled
With touch that was deft and sure,
While the parent laboured by her side
And polished and smoothed it o’er.”

And when at last their task was done,
They were proud of what they had wrought,
For the things they had moulded into the child
Could neither be sold nor bought.
And each agreed they would have failed
If each had worked alone,
For behind the parents, stood the school,
And behind the teacher, the home.”

“Very effective opening and great use of lighting and solo dancer to establish conflict in the narrative. Very strong characterization, well supported by effective choreography. The dancers communicated the story beautifully!” Alysia Hodges
