**Getting Organised for Term 4**
Welcome back to school! Keep track of the week numbers of each Term and help your family stay on top of the million and one things happening this time of year with School A to Z’s monthly planners. They’re easy to print out and pop up on the fridge for all to see. You might even want to print a spare for each child’s bedroom so there are no excuses for them to forget homework, chores and other weekly activities.

**Gymnastics is coming along in leaps and bounds!**
Gymnastics started this week and has been very well received by the students. With fantastic instructors and the latest gym equipment, the boys and girls have been participating in energetic lessons. All students have been able to join in this week, as an exciting taster of the lessons ahead. To ensure your child is able to continue attending the gym lessons, please return the permission note with full payment at your earliest convenience. Students will also be able participate with a returned permission note and a request for payment in instalments. Please contact the school office with this request.
