School Tours Wednesdays 9.30am – by arrangement
Are you new to the area or have a child beginning Kindergarten in 2015? Come and meet me and have a personalised tour of our fantastic school. Ring the school for a booking.

Kindergarten for 2015
Do you have another younger child intending to start school next year? We are currently communicating with parents of children who are new to the Dee Why PS school community, but also need to know of current students with younger siblings coming next year. Please pop into the office to complete your enrolment application.

Principal’s Message
We really have been busy this term…
…have a great break!

P&C School Disco
Wow, the P&C really know how to put on a good time. The boys and girls put on their dancing shoes last Friday for the third disco for the school year. It was a super evening with our students and staff dressed in their best dance clothes for a night of dancing and dance games. Thank you to the P&C for hosting this wonderful event!

Honour Assembly – Super Scientists
Yesterday, Dee Why Public School participated in its third Honour Assembly of the year. Our Super Scientists theme saw Classes 3/6H and 1/KA display video presentations of their classroom and playground science activities. We loved seeing footage of your in-class investigations and your understanding of the lifecycle of a kookaburra. Leonie Netting, Environment and Sustainability Officer at Warringah Council was our special guest and was on hand to present our super scientists with their Honour Assembly certificates.

We’re off to the Primary Proms!
All the best to Mrs Rika and her superb choir as they make their way to The Primary Proms this Thursday evening. Sing your hearts out kids, we’re very proud of you all!

Mark Chaffer – Principal

**When lunch comes home ... again**
Almost nine out of 10 Australian parents say children's resistance is a major obstacle in their efforts to provide a healthy diet, and in many cases school lunches are one of the battlegrounds. But it's a battle families can do without and there are some simple steps to help avoid it.

**How much screen time?**
'Screen time' used to mean how many hours you spent watching TV and playing on the computer. However, with the growing number of digital devices on offer today, the question of what screen time means now is far more complex.

**YMCA Out of School Hours Care**
YMCA OSHC is here! The professional team from YMCA are ready to take your applications for before and after school care for your child. Drop in and have a chat with the friendly team about how best they can provide after-hours care for the children and families of the Dee Why Community.
