Principal’s Message

P&C Annual General Meeting
Wednesday 4 March at 9-15a.m.

The P&C is a vital part of our school. It is a link between home and school and a chance for parents to help plan the future direction of our school. Come along and meet with other parents. Your ideas and input are valued and welcomed.

Student Lunches

Student recess and lunches are important and a vital part of supporting the kids with their learning. Please ensure that you provide your child with a substantial and nutritious recess and lunch, as lunches are not available via the school office. Should your child accidently come to school without a lunch, the School Canteen “Dee Why Delights” is able to provide lunch. A note requesting payment will be issued along the lunch. Students accessing this service will be required to visit the office for approval.

Mark Chaffer – Principal

Friendships to Boost Your Child’s Learning

If children are happy socially they tend to be more engaged in their learning. So teaching your child about the importance of making friends is as vital as learning their ABCs.
