Principal's Message
Gee, I'm really not sure where to start on all the amazing events Dee Why Public School has been involved in of late…

P&C School Disco
Wow, the P&C really know how to put on a good time. The boys and girls put on their dancing shoes last Friday for the second disco for the school year. It was a super evening with our students and staff dressed in black and white for a night of dancing and dance games. Thank you to the P&C for hosting this wonderful event, and thank you to LJ Hooker, Dee Why for sponsoring Dean the DJ!

Honour Assembly – Public Speaking
Last Tuesday afternoon saw the second honour assembly for the year and included the speeches from our public speaking medal winners. These boys and girls delivered truly amazing speeches. Those in the audience were thoroughly entertained by our winners and their high level performances. There was laughter, and the occasional tear, as these talented students showed us why they were worthy winners of the grade medal. Thank you to our dedicated staff for making this event possible!

Parking Safety around our School
A friendly reminder to parents to assist us in keeping our children safe when parking around the school grounds. Several parents have been seen and spoken to about parking illegally in the crossing and kiss and drop zones in the surrounding streets. We appreciate that parking has become increasingly difficult due to local building works, but students' safety is of greater concern. Please ensure you park safely near kiss and drop zones and crossing at all times.

Dear Parent/Guardian,
As you may know, our school has access to the award-winning Britannica School. Teachers, librarians, and students have found this PreK-12 tool to be a safe, time-saving, and easy-to-use resource.

As part of our school’s subscription, students have unlimited access to Britannica School from home, at no additional charge to you. Now your children can use the same resource at home and at school, providing students consistent help for homework and research assignments. In addition to encyclopaedia articles, Britannica School also offers thousands of videos, images, learning materials, and educational games that deliver additional activities on subjects studied in class.

To access Britannica School from home, simply visit:

Enter username: deewhynsw
Enter password: nswstudent

Enjoy your free and unlimited access to Britannica School.

Sincerely,
Lisa Clark
Teacher Librarian
